Dear Mr Zhang

Thank you for your ICT skills assessment, which was received by the Australian Computer Society on 27 March 2024.

Your skills have been assessed to be suitable for migration under ANZSCO Code 261313 (Software Engineer).

The following employment after 14 March 2022 is considered to equate to work at an appropriately skilled level and relevant to ANZSCO Code 261313 (Software Engineer).

While the ACS is authorised to assess ICT skills assessments, the final decision in awarding points remains with the Department of Home Affairs.

This assessment is based upon the documents provided. By issuing this letter or otherwise, the ACS makes no representation regarding:

- The authenticity of documentation provided or the veracity of content.
- The suitability of the applicant for migration or employment.

This assessment is valid for a period of 24 months from the date of this letter.

This letter has been issued for migration assessment purposes only and can not be used for any other purpose without written consent from both the ACS and the applicant.

The ACS thanks you for your application and looks forward to assisting you with your future as an ICT Professional.

Yours sincerely,

Elizabeth Gregg

Director, Migration Pathways
